INTRODUCTION

Spearheaded by Mr. Sanjay Chhabria as its Managing Director, Radius is a modern take on Mumbai's real estate. Team Radius is a blend of professional flair and entrepreneurial passion.

Sanjay is a renowned and respected member of Mumbai's real estate fraternity, and Radius is his independent foray into real estate.

Radius is an amalgamation of integrity, transparency, and ability to deliver challenging projects on time. Radius is an outcome of the succession plan at the Wadhwa Group, where Sanjay led the business as a Managing Director for over a decade. Above all, everything that we do will be built around all our stakeholders. Each development by Radius is an affirmation of its dedication. We bring to life unique concepts in the urban real estate, which remain faithful to the philosophy of 'Built Around You'.

BUSINESS CHALLENGES

During our initial brand audit, we realized that the client was facing major call drop issues with their existing solution. Furthermore, they had multiple offices set up across India and thus required a centralized unified Contact Center management setup integrated with their Salesforce CRM, which was robust, stable, and agile. The client further sought to enhance their customers experience vide the inbound and outbound processes and offer valuable insights and custom analytical reports.

CASE STUDY
